**PRESS RELEASE**

# Adrian Crizbasianu joins VGP as Country Manager Romania

Antwerp, Belgium, 27 February 2020 - VGP NV ('VGP' or 'the Company'), a leading European provider of high-quality logistics and commercial real estate, is happy to welcome Adrian Crizbasianu as Country Manager VGP Romania.

Adrian has extensive Transport & Logistics experience, having worked for over 15 years with DB Schenker in Romania in various management positions and acting in the last 7 years as COO and member of the board of management. He was actively involved in achieving the market leader position in Romania, was also directly engaged in developing Contract Logistics – SCM division of Schenker as well as running a major project of re-shaping & securing the future for the port Constanta Schenker terminal operations.

As of February 1st Adrian is part of VGP management team as Country Manager Romania. In this role he will be carrying out an accelerated development of Romanian operations with a short term goal of extending VGP presence nation wide.

Adrian says: "Joining VGP represents for me a step into the Real Estate sector that is so very much connected with my past professional experience and the local network. The determination and commitment of VGP top management towards the Romanian Industrial & Logistics real estate market was conclusive for my decision to join and I am very positive on the bright future of VGP in Romania."

Matthias Sander, COO Eastern Europe says: "We are very happy to have Adrian on board. Since the first contact there was a certain DNA match. With his comprehensive logistics experience, we strongly believe that Adrian will drive the further development of VGP in Romania."

**ABOUT VGP**

VGP is a leading pan-European developer, manager and owner of high-quality logistics and semi-industrial real estate. VGP operates a fully integrated business model with capabilities and longstanding expertise across the value chain. The company has a well-advanced development land bank of 7.0 million m² and the strategic focus is on the development of business parks. Founded in 1998 as a family-owned real estate developer in the Czech Republic, VGP with a staff of over 200 employees today owns and operates assets in 12 European countries directly and through VGP European Logistics and VGP European Logistics 2, both joint ventures with Allianz Real Estate. As of June 2019, the Gross Asset Value of VGP, including the joint venture at 100%, amounted to €2.2 billion and the company had a Net Asset Value (EPRA NAV) of €604 million. VGP is listed on Euronext Brussels and on the Prague Stock Exchange (ISIN: BE0003878957).
